FORM TEACHER'S COMMENTS:	YEAR COORDINATOR'S COMMENTS:
Ajani has shown some improvement in his behaviour, but this is still below that which is acceptable. Ajani needs to settle down and focus more on getting her priorities in order. J. Jones	Ajani's performance this term was below the required standard. It's crucial for Ajani to work harder in order to improve his grades for the next term. Encourage him to reflect on areas that need improvement and to set realistic goals for the upcoming term. N. Williams

The school reserves the right to correct the above which will be final in our file copy. The final mark is a weighted average of the Coursework (50%) and the Semester Examination (50%).
