FORM TEACHER'S COMMENT					
Anthony's attendance has not changed; he is still arriving late to school, and as a result, he misses the first class. He is a capable student but poorly organized.

Principal/VP Comments

Based on his average, Anthony is capable of producing much better grades. This is hampered by his negative and disruptive behaviour towards authority. Continue to encourage him to be more respectful and positive in his attitude and settle down to achieve more. He is being placed on Probation in Grade 9.
