Re. Formal Notice of Non-Renewal

Allyja Blythe was offered a place at Mount Pleasant Academy through a football scholarship, providing him with the opportunity to pursue both academic and athletic development in a structured and supportive environment.

While we have valued Allyja's presence at the Academy, it has become evident that he has experienced some difficulty in balancing academic responsibilities while consistently excelling in our football programme.

After careful consideration, we have made the decision to discontinue Allyja's enrollment at Mount Pleasant Academy, effective June 26, 2025. Please consider this letter as a formal notice of non-renewal.

We kindly encourage you to begin exploring alternative options for Allyja's continued growth, both in academics and football. We are committed to supporting this transition and will provide all necessary documentation and assistance to facilitate the process.

We wish him every success as he moves forward in his journey.

Best Regards,

Shamora Brown (Ms)

Principal
