Form Teacher's Comments	Principal / Vice Principal's Comments
Richard is a sociable student who is a able to build positive relations with his peers and teachers. He must use this attribute in a positive way as currently he is easily distracted. Encourage him to remain focus during instruction and develop regular study habits to achieve his full potential.	Richard has completed all his academic tasks and though his performance is satisfactory, it is not impressive. He needs to develop greater academic purpose and perform with grit and determination. S. Gayle-Foster for Principal.
