GRADE SUPERVISOR'S COMMENTS					PRINCIPAL'S COMMENTS				
Ralston performance indicates that he is capable of achieving better results but needs to apply himself more diligently. He is encouraged to engage in regular study, practice key concepts consistently, and reinforce his understanding of core topics, particularly in Mathematics. With increased effort and commitment, he has the potential to achieve significant academic improvement. M. Bennett					Ralston, your performance indicates that you have met some expectations, but there is considerable room for improvement. Greater commitment to completing assignments, participating in class, and seeking assistance when needed will help you achieve better results next term. Mrs S. Morgan-Williams
