FORM TEACHER'S COMMENT

Miss. Jackson, is an exemplary member of the class whose behavior and conduct are truly commendable. She is consistently punctual, maintains excellent manners toward both her peers and teachers, and shows great willingness to help others. These foundational qualities are essential for success. However, while Miss. Jackson clearly possesses significant academic potential, she has yet to fully unlock it. Her focus for the next school term must be on increasing her concentration and dedication to her schoolwork. By consistently applying the same disciplined effort she uses in her behavior to her daily academic tasks, she will realize her full potential and achieve the excellent results she is capable of
