Dear Ms. Brown,

This letter serves to confirm that the students listed below are enrolled in our International Baccalaureate Diploma Programme (IBDP) which is two (2) years schedule to run from September 2026 to June 2028.

Kindly note that these students have completed their interview and enrollment process and is expected to start school on September 1, 2026.

1. Zachary weir
2. Walt Campbell
3. Zuri Markland

For students enrolled in the IBDP, Hillel Academy requires applicants from local schools to submit a transcript and/or their CXC/IGCSE results. However, international or returning students are only required to submit a transcript. This is because international students often do not sit external examinations such as CXC or IGCSE, and as such, may not have these results available. Furthermore, the IBDP governing body does not require external exam results for admission into the programme.

Should you require any further information, please do not hesitate to contact us.

Sincerely,

Lloyd Holmes
High School Principal
